Earth Justice Team Tips for Kindling the Flame

Fall/Winter 2022

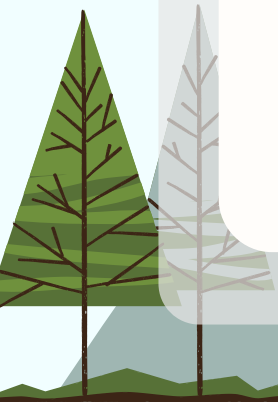

"We don't need a handful of people doing zero waste perfectly. We need millions of people doing it imperfectly."

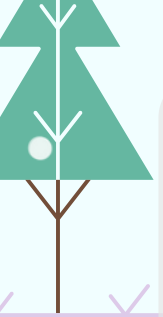

- Anne-Marie Bonneau

The Fall/Winter Low Impact Living theme is zero waste.

Written by Natalie Pien, Co-Chair of the Earth Justice Team.

Also be sure to check out the 2021 Green Tips, which featured vegetable gardening.

In 2020, I recall an edition of National Geographic dedicated to the question “Is a world without trash possible?” It was eye-opening. The concept of Circular Economy proposes a human system that is modeled on Nature, a system that does not produce waste. Here is an animated YouTube video essay: [Explaining the Circular Economy and How Society Can Re-think Progress](#).

To reduce waste in all aspects of life, check out [More Ideas, Less Waste. Earth 911](#).

- For example, learn about “Fast Fashion” pollution, waste, and [how to quit fast fashion for good](#).

Loudoun County passed a single use plastic bag tax. [Learn 3 ways to break up with plastic in the kitchen and 50 ways to get there](#).

In case you are wondering about your flower garden in the winter, here are some considerations. While it is traditional to cut back perennials for winter, there are some [advantages to leaving them uncut](#): visual interest of a winter garden; benefit to wildlife; reducing winter cold damage.

Happy living the 7th principle!
